Bankruptcy Questionnaire

Please complete the following questionnaire and bring it with you to your consultation. In some of my older web postings I have invited people to fax or email this form to me. Please ignore that. Just bringing it to your appointment is best.

This is an initial screening questionnaire for the purpose of trying to catch some of the problems that might make a bankruptcy more difficult for you. Do the best you can with the questions. If there is something you don't understand or have trouble answering, we can talk about it when you come in. Once we get past this initial screening, there will obviously be a great deal more information I will need from you.
